NAMPA POLICE DEPARTMENT

PRESS RELEASE

The Nampa Police Department would like to remind motorists that school begins Monday in Nampa. The Nampa Police Department traffic team is involved in an on-going effort to keep children safe by enforcing school bus violations, and speed and crosswalk violation within school zones.

The Nampa Police Department would like to remind motorists that there are two types of school zones in the city of Nampa. The first type of school zone has flashing yellow lights, and the reduced school zone speed is in effect during the time period that the yellow lights are flashing. The second type of school zone does not have yellow flashing lights and the reduced speed is in effect from 7:00 AM- 5:00 PM.

Many of the school zones in Nampa also contain crosswalks that are used by school age children. As a reminder, motorists are required to yield the right-of-way to pedestrians crossing within a crosswalk. Any questions can be directed towards Sgt. Matt Pavelek at (208) 468-5608.
