NAMPA POLICE DEPARTMENT

PRESS RELEASE

October 10, 2011

On October 10, 2011, at 9:54 A.M. Nampa Police Officers received a complaint of indecent exposure which occurred on the Nampa Greenbelt near the Augusta subdivision, just south of Lake Lowell Avenue.

The female victim age 25 reported that she was walking on the Greenbelt with her two young children, when a Hispanic male approximately 40 years old, 6'0" tall, medium build, medium length black hair, standing near the path opened his coat exposing himself to her. Suspect was wearing blue jeans and a long white jacket. Suspect then grabbed the female briefly. She ran away from the perpetrator and called the police.

Police conducted an area search but have been unable to locate the perpetrator. We are asking for assistance from the public in identifying this person. A composite sketch from a previous incident which occurred on July 3, 2011, depicts a similarly described suspect. That sketch is located at the Nampa Police web site under press releases. Police are investigating these incidents as being possibly related. It was posted as "Greenbelt battery sketch" on 7-28-11. A follow up release will be provided once additional information (i.e. possibly a second sketch) is obtained within the next few days.

Police are encouraging people who use the greenbelt to remain vigilant and report suspicious people matching this description. It is safest to always travel in pairs and be aware of your surroundings, to include the trail markers that are painted on the greenbelt.

Tips can be called in to the Nampa Police Department 465-2257, Crimestoppers at 343-COPS (343-2677), or 1-800-222-TIPS.
