NAMPA POLICE DEPARTMENT

PRESS RELEASE

On May 2nd the Nampa Police Activities League will begin registrations for the Outdoors Club. This program was started 5 years ago by officers from the Nampa Police Department to help share the experience of the outdoors with kids.

In Idaho with so many outdoors opportunities available, we discovered there were kids who had never been hiking or camping. Each year we take 20 kids ages 8-12 and take them on several outings including, hiking, kayaking, rock climbing, and camping. Police personnel and Boys & Girls Club staff supervise all outings. Attached below is a flyer for the program.

For information registering your child contact:

Sgt. Tim Randall
